Class 2JL

Class Teacher: Miss J Levitt

*Teaching Assistants: Mrs L Hibberd, Mrs J Randerson,
Miss N Naylor, Miss D Butterworth, Mrs C Maskill, Mrs C
Lloyd and Mrs A Cooper.*

My New Class

When I come back in September I will be in 2JL and Miss Levitt is your class teacher. The teaching assistants are Mrs Maskill, Mrs Randerson (Monday-Wednesday), Miss Butteworth and Mrs Cooper (Thursday's). You will be with the same children as you were with in Year 1. In the next year 2 class, the teacher is Mrs Ottewell and the teaching assistants are Mrs Hibberd, Miss N Naylor and Mrs C Lloyd.

Your class will look very similar to your year 1 class. You will have your own tray with your name on to keep your books in and a coat peg with your name on.

Don't forget your new start time in September will be 8.45 a.m. so our doors will open at 8.40 a.m. The register closes at 8.55 a.m. ready for our assemblies.

We are very excited to have you in year 2.

You will need to enter school through ...

You will need to enter school through these doors, which are located in the middle of both year 2 classrooms.

My classroom is to the left of these doors and Mrs Ottewell's is to the right.

Our cloakroom is between both classrooms. Your peg has your own coat labels so your PE kit and coats should go here. We have a separate box for book bags.

About Miss Levitt

Hello! My name is Miss Levitt and I'm really excited to be your Year 2 teacher. I have been working at High View for two years in Year 5. This will be my first year working in Year 2 at High View and I am really looking forward to our topics. Last year, I worked with Mrs Clow conducting the choir and I am also in charge of Spanish at school.

I love all of the curriculum but if I have to choose then I would choose Spanish, music and maths as I love working our tricky problems. I hope you're looking forward to learning lots of new skills and information.

When I'm not in school, I love to read. I particularly enjoy adventure stories but I also enjoy non fiction texts as I like to learn new things. I also love watching musicals and I really enjoy singing along to them.

I am so excited to work with you all in September and get to know you more. We really will have a wonderful year together!

Teaching Assistants

The teaching assistants that will be working with year 2 are the wonderful ladies below, of whom you are familiar with. They are so excited to work with you;

Mrs Hibberd has been at High View for so many years, she's like part of the furniture now. She's so excited to work with you all.

We also have Miss Butterworth, Mrs Maskill, Mrs Cooper and Mrs Randerson.

Our Curriculum

Our exciting curriculum is divided in to three terms:

Throughout Year 2 we will go on some amazing adventures...

In the Autumn term, we will begin our new topic - Hopes & Dreams where we will talk to the children about their aspirations, dreams and hopes for the future. This will give us opportunity to explore back in time about "inspirational people" such as Marie Curie, Florence Nightingale and Mary Seacole. We will look at how people help us all around us and learn lots of exciting things.

Autumn 2 will see us look at Crime & Punishment with our topic - "Peacekeepers and Rule Breakers". We will visit the cemetery for Remembrance, take part in Anti-Bullying week and learn about Guy Fawkes and the rules he broke before investigating those who broke rules for a good reason.

Spring Term will bring our new topics of "A Toy Story" and "Fire, Fire" - they really are as exciting as they sound! The children will learn about how technology has changed around us and experience the Great Fire of London.

Super science investigations will teach us more about materials and their properties and help us learn all about our bodies and how they work! This will be supported by Mr Crossley who will help your children develop their skills and abilities in gymnastics, dance and athletics.

In year 2, we LOVE reading! We will read lots of fun stories and poems every day and then try to write in a similar way. Traditional stories will allow us to become authors by changing and adapting the original story.

Our learning in the classroom will hopefully be made real by lots of incredible trips to Eureka, The Emergency Services Museum, Cleethorpes, Wombwell Cemetery and many more. We also hope to have many special visitors into school throughout the year.

Our final term, Summer brings us to High View Cares, where the children will have opportunities to learn lots about the environment, the world around us, science and much, much more in our topic "The Secret Life of Bugs".

One of the most important things we learn in Year 2 is how to work well together and help one another so that we have a fun and happy classroom!

We hope you love it as much as we do!

Timetable info /rough outline of week

Daily lessons include; RWI, Maths, Literacy, Topic as well as reading and story time. No two days are the same as we love learning so much.

The children have PE with Mr Crossley one day a week and then each day they will have exercise through daily Zumba/Yoga or outside.

General information

- Please bring PE kits on **Monday** and take them home at the weekend for washing. PE day will be on Friday but there will be other events and opportunities so it would be ideal to have kits their all week.
- In PE Kits, please ensure your child has trainers.
- Classroom doors open at **8.40 a.m.** in the morning
- **No jewellery** should be work for PE. Please try to avoid jewellery for schools but watches are helpful for learning about time.
- Please remember to **label all uniform** to prevent it from getting lost.
- Correct uniform must be worn at all times.
